Pennsylvania Right-to-Know Request
Dauphin County Children & Youth Services – Employee Roster and Org Chart

Pursuant to the Pennsylvania Right-to-Know Law ("RTKL"), 65 P.S. §§ 67.101 et seq., I respectfully request records in the possession, custody, or control of Dauphin County relating to Dauphin County Children & Youth Services (or the County's Children and Youth/Social Services agency performing that function).

1) Employee roster (current as of the date you process this request)

Please provide records sufficient to show a listing of all current Dauphin County Children & Youth Services employees, including for each employee:

- Full name (first and last)
- Title/position
- Hire date / start date (or, if maintained differently, length of service)

This request is limited to work-related identifying fields (name/title/hire date or length of service) and does not seek home address, personal phone numbers, Social Security numbers, personal email addresses, dates of birth, or other personal identification information.

Legal authority: 65 P.S. § 67.708(b)(6)(i)(A) (providing that the personal-identification exemption does not apply to an employee's name, position, and length of service).

2) Organizational chart (as of December 19, 2025)

Please provide the organizational chart for Dauphin County Children & Youth Services as of December 19, 2025, including (if shown on the chart) divisions/units, reporting lines, and position titles.

If the County maintains multiple versions (e.g., drafts, internal versions, or "current" vs. "official"), please produce the version that was effective/used on December 19, 2025, or records sufficient to identify what version was in effect on that date.

Format requested

Please provide the records electronically, preferably in their native format where applicable (e.g., Excel/CSV for any roster report/export; PDF for an org chart). Email delivery is acceptable.

Redactions / partial access

If you believe any portion of a responsive record is exempt, please redact only the exempt portion and produce the remainder, as required by Section 706 of the RTKL, 65 P.S. § 67.706.

If you contend that no record exists responsive to any part of this request, please state that position clearly in writing.
